

⚓ Highest quality produces from the Nile heart to the world ⚓

Who Is Hapi

Hapi was the god of the annual Nile flood in ancient Egyptian religion. The flood deposited fertile soil on the river's banks, allowing the Egyptians to grow crops. The annual flooding of the Nile occasionally was said to be the Arrival of Hapi.

About Us

Hapi Trade is a registered Egyptian company, We are specialized in exporting fresh Vegetables from Egypt to international markets.

Hapi Trade started with a focus on Vegetables that grows in Delta and Sinai region , as of the fertile land, the good agriculture practices that has been inherited and the changeable weather that allows richness in production.

Our head office is located in *Ismailia, Egypt*. Our network of farms and supply chain extend across Upper Egypt, Delta and Sinai region, a supply chain from seed to costumer that is growing daily.

About Us

Vision

To be the African leading organization in sustainable Agri business in the region.

Mission

We see ourselves as a part of the larger global community of producers and agriculture reclamation, working on opening new markets for Egyptian agri produce through farming - contracting that create direct linkages between international markets and local farmers, thus will help them enhance their practices and quality of life.

Why Hapi

Responsiveness

Being responsive to us in the new global World is about matching produces with market needs, creating a satisfied customer from a well-informed producer.

Quality

We strive to abide to quality standards, throughout managing the entire supply chain of our produces.

Inclusiveness

We are part of our community in Egypt, our supply chain are people from different professions who we care for and they care for us.

Produce

We have items which are our hallmarks such as Green Beans, Snow Peas, Onion, Garlic and we are expanding our profile to satisfy our client's needs by time.
